If my above named child is accepted in Learning Steps Montessori nursery I agree to pay the tuition fees for the whole year according to the payment schedule.

I understand that the registration fee is non-refundable, that the enrolment is for the full academic year and that tuition fees are payable in advance according to the nursery's regulations and no refund of tuition fees is possible in case of temporary absence.

I understand that a one-month settling period, commencing upon enrollment, allows both parties to determine the suitability of the placement. Thereafter, should we feel that any child or parent interactions are not in accordance with our ethos, we reserve the right to terminate the placement at any time, whereupon refunds are discretionary.

I have been informed read and agree with the Terms and Conditions of Learning Steps Policies outlined on the nursery website.
